

Water Quality

THE USDA NATURAL RESOURCES CONSERVATION SERVICE IS A LOCAL RESOURCE FOR INNOVATIVE CONSERVATION SOLUTIONS TO IMPROVE THE LAND AND PROTECT YOUR WAY OF LIFE.

Financial and technical assistance is available for producers interested in improving water quality and aquatic

habitats in priority watersheds with impaired streams through the Water Quality Initiative under the Environmental Quality Incentives Program (EQIP). NRCS may be able to help you implement some of the conservation activities listed at the right. ▶▶▶

- Nutrient Management
- Erosion Control
- Conservation Tillage
- Buffer Systems
- Pest Management
- Riparian Cover
- Wildlife & Wetland Management Systems

Application Summary for this Initiative

Applications may be submitted at any time and will be evaluated periodically as funding becomes available. Batching periods are established based on available funds.

The current application batching period will end **March 20, 2015.**
